Luigi's originated in 1984 in Clymer, PA, a small  
community in Indiana County.

The Clymer location was originally a tavern. William  
"Skip" Tate, along with two of his sons, Louis and  
Edward, decided to buy the building and introduce  
an Italian menu to the area.

With no prior restaurant experience, Louis and  
Edward were blessed with the help and guidance of  
their father, Skip, and Mother, Barbara.

Over the years, they learned many lessons from Skip  
and Barb on the "old school" methods of hard work  
and running a business. Their sisters and brothers,  
and some aunts, uncles and cousins continually  
lending a hand has also played a large part in their  
success.

### OUR FAMILY HERITAGE

The Tate family name was originally Teti. We come  
from the Abruzzi region of Italy, the providence of  
Chieti, and the town of Torricella Peligina.

Our grandfather always said the Abruzzese were the  
purest Italians, because the conquering armies could  
never get to their women – hid high in the mountains!

Our grandmother was from the Calabria region of  
Italy. It was her recipes that inspired a love for food  
and cooking in our father. Her recipes became his,  
and now we serve them to you.

Barb and Skip have since passed away, but their  
delicious recipes and methods are still used daily  
here at Luigi's

Louis and Edward Tate "Teti"
